

# NEW PRODUCTS for 1999 AND 2000

**UNLIKE ANYTHING YOU'VE EVER HEARD  
ON YOUR COMPUTER!**

## THE AUDIO DRAMA BIBLE

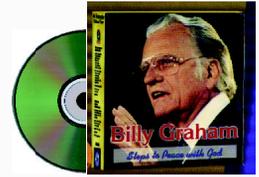

**Complete Audio Bible on only 4 CD-ROMs!**

It's the newest development in Christian audio software, "The Audio Drama Bible". Put your computer to GOOD work! By using your computer you can listen to the New Testament in about 30-90 days. Enjoy and learn from the teachings and words of our Savior in a format never before available. The Dramatized New Testament is now available on one CD, complete with Bibles, commentaries and search tools to complete your study needs. The Word will come alive on your computer, while also retaining accuracy to the Bible text. Over 250 dramatic character voices; award-winning original music. CD-ROM format allows quick searches for verses along with instant access to the exact chapter you want to hear. Then read along with the audio. Can also play in the background while you work on your computer. Includes Faith Comes by Hearing Bible planner. **We highly recommend this CD-ROM!** Includes a daily planner for listening to your Audio Drama Bible!

**N.T.: 1 CD-ROM - \$29<sup>95</sup>**  
**O.T.: 3 CD-ROM's - \$29<sup>95</sup> ea. (\$89<sup>95</sup>)** **MAC OR PC**  
**Entire 4 CD-ROM set: \$99<sup>95</sup>** (S.R.P.)

## The NIV/Billy Graham CD-ROM

First take over 100 of the works found in the Master Library. Then add the NIV Bible. Then add Billy Graham's interactive 'Steps to Peace with God'. Now you have a great Bible software program. It performs with all the features Master Christian Library CD, but with its low price it makes a very attractive first-time Christian software purchase.

**\$14<sup>95</sup>** (S.R.P.)  
**MAC OR PC**

## Rembrandt's Bible

ONE OF THE GREAT ARTISTS

EXPLORES

HISTORY'S GREATEST BOOK!

AGES Software is pleased to offer Rembrandt's Bible. Rembrandt's Bible contains 204 of all Rembrandt's biblical prints. For the true art-enthusiast, all states (versions) of the prints have been included. For the Bible student, a complete King James Bible is included, with links from the scripture to the appropriate illustrations. Easy to use, Rembrandt's Bible comes with search study tool, and a glossary to assist in understanding how one of history's greatest artists expressed history's greatest books. Good learning tool for home-schoolers, or a great gift for anyone.

### LOGOS AND STEP COMPATIBLE LIBRARIES

## **JOHN GILL'S EXPOSITION AND OTHER WRITINGS**

BY BAPTIST STANDARD BEARER

John Gill was born in 1697 and died in 1771. In 74 years he was able to acquire a scope of Biblical knowledge and enjoy a degree of usefulness seldom attained by any man. Gill was called to pastor the Strict Baptist Church in 1720, which he continued to pastor for 51 years. Eventually the Strict Baptist Church would evolve into the Metropolitan Tabernacle which would be pastored by Charles Spurgeon for over 35 years.

This CD-ROM contains his full-Bible commentary, and other writings to add to your library. You will benefit from one of the most outstanding Baptist preachers and defender of the Christian faith of all time.

*"In some respects, he has no superior. For good, sound, massive, sober sense in commenting who can excel Gill?" -- C.H. Spurgeon, Autobiography Vol. 1*

**MAC or PC** **\$29<sup>95</sup>** (S.R.P.)

The entire library has been indexed into special files, thus allowing searches to be performed at very high speeds, regardless of platform.

**It's FAST**

**It's EASY**

## FREQUENTLY ASKED QUESTIONS

### WHAT IS THE DIGITAL LIBRARY?

The Library consists of books and other literature of enduring value to the Christian community. Our goal since the beginning has been to "make the words of the wise available to all—inexpensively." As the concept was developed, AGES Software looked at the needs of the student, teacher, pastor, missionary, evangelist and church worker and asked, "How can we help provide a broad, diverse, high quality reference library, one that is portable, practical and low in cost?" With the advent of small personal computer in millions of homes, schools and offices, books on disk and CD-ROM was the best answer.

### WHAT IS THE REAL ADVANTAGE OF THE DIGITAL BOOKS?

With a click of the mouse or the touch of the keyboard, turn the pages, copy and paste the text, print the page or the book, find key words or phrases, or search using the handy index. With little effort and in an amazingly small space, hundreds — even thousands — of books can be both stored and used, making your library flexible and portable.

### HOW WERE THE BOOKS PREPARED?

Most of the books and documents have been scanned or typed from works that have entered the public domain. Some have been reproduced by special arrangement with the current publisher or holder of the copyright. They have been put in a format that can be readily used by computer users everywhere.

### WHAT IS YOUR UNIQUE PRICING POLICY?

We will work with each individual or organization to see that the price of a Digital Library volume not be a hindrance in its reaching the hands of those who need it. If price is an obstacle, please write to the address on the back of this brochure, and we will make every effort to accommodate your need. Our Goal is to make Classic Christian works available to all — regardless of the cost.

### BASIS OF SELECTION?

Volumes in the Library have been added based on several criteria: usefulness, user request, breadth of content or reputation. This has meant that the collection is eclectic and may include works that contain positions with which we at AGES Software do not agree. This paradox is consistent with our design, however: any useful library consists of books on a wide variety of subjects and sometimes includes information for reference purposes only. The AGES Digital Library hopefully will reflect — as its components are released — the necessary breadth and depth for a solid personal library.

### WHY AGES SOFTWARE DIGITAL BOOKS?

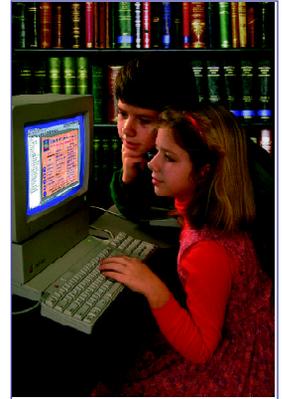

AGES is making a unique contribution to the Christian community by emphasizing five important areas:

- 1) **Broad selection.** While the Bible software is well represented in the marketplace today, many of the volumes that help make for a well rounded library are missing.
- 2) **Inexpensive.** We have priced the volumes as low as we can and still maintain a viable business. We have made every attempt to cut costs without cutting value.
- 3) **Quality.** We have worked hard to maintain the integrity of the works, enhance the look and feel of the book, and make working with the languages (especially the Greek) as efficient as possible.
- 4) **Ease of use.** The software is very intuitive and uncomplicated. The books themselves function just like a printed book but with the digital differences mentioned above.
- 5) **No hidden costs.** No special software must be purchased to use any volume. Everything you need is provided at the single low cost.

## BENEFITS

### STUDENTS & PARENTS...

- Drastically reduce your financial commitment over printed books
- No retyping of text to be copied for homework
- Reduce the late hours of study at a distant library

### LEADERS & TEACHERS...

- Find important information quickly
- Broaden personal and devotional study resources
- Locate useful quotes and thoughts
- Guide students to ideas and sources

**P.S. All of our products have a thirty day money back guarantee!**

### PASTORS, EVANGELISTS, MISSIONARIES...

- Take your library with you —conveniently
- No cumbersome book index searches
- Save countless hours of typing and secretarial time
- Handy Greek copy/paste
- Quality and economy

**All files are complete works with no files to unlock!**
