IT Career Starter

Courses and careers in tech made simple

www.learningpeople.com.au

Benefits of online learning

Classroom training is quickly becoming redundant, with online learning proving to be much more beneficial to students in a varied number of ways.

Study when it suits you

- ✓ Online learning is flexible
- ✓ Learn at your own pace - you aren't restricted by a rigid timetable of lectures
- ✓ Training is there whenever you are ready to use it

Real-life practical skills

- ✓ Industry standard certifications will give you confidence to apply knowledge within a real-life professional situation
- ✓ Certifications are used by employers as a benchmark in applications, because they indicate the knowledge needed to complete tasks using trusted methods

Investing in your career

- ✓ Learn from home, so no travel costs
- ✓ Keep your current job, and study whenever it suits you
- ✓ Online courses are only a fraction of the cost compared to university degrees

Regularly updated course content

- ✓ Online courses are updated far more regularly than university education
- ✓ Industry experts review course content to ensure it is inline with current industry needs
- ✓ Courses shaped with your employability in mind

Personalised learning

- ✓ Online training has much more scope for flexibility, compared to traditional university education
- ✓ Learning People offer personalised training packages, based on your unique career goals and learning needs

Why choose the IT Career Starter collection?

The industry

Having grown by a whopping **\$200 billion** since 2008, the global IT services and support market is big business. The sector is now set to expand to a further **\$150 million** by 2021.

In the UK alone, more than **150,000** new IT career starters are needed each year to meet demands.

Aims

Learn the basics of being an IT professional. This collection equips you with the skills needed to launch your IT career and introduces you to subjects that will help you identify which career pathway to go down.

With industry recognised qualifications from CompTIA, it will help ensure that your CV stands out to employers in the industry.

Accreditors

CompTIA

The leading global IT trade association, CompTIA gives the industry a unified voice and real leadership in the IT community. As a not for profit organisation, CompTIA offers a unique range of training courses that validate your IT skills without restricting you to individual product suites.

CompTIA A+

Course overview

CompTIA A+ is the most essential certification in IT whether you're just starting your career or are already an IT professional.

For those who are new to the IT industry, this will help you grasp a more in-depth understanding and demonstrate it in your professional career. If you are already an IT professional, the CompTIA A+ certification will validate your skills and improve your performance at work.

The certification is held by over 1 million professionals worldwide and is highly respected in the world of IT.

Why Learning People?

About us

With more than 25,000 students globally, Learning People's mission is to empower people of all skill levels to accelerate their career in technology through award-winning training.

All courses are online, allowing students to study anywhere and at their own pace while being guided throughout by their Career Consultant and the StudentCare™ team.

Learning People's students graduate with accredited industry-recognised qualifications which help accelerate and future-proof their careers in a sector rich in opportunity.

Learning pathways are offered in all key areas of tech including coding, cyber security, project management and IT.

Having been in business for more than a decade, the company has experienced impressive growth over the years. This has fueled even more ambitious growth plans for the future as Learning People help students become career ready and highly sought after by employers.

Choose us for...

- ✓ No.1 platform for career progression
- ✓ 10+ years experience
- ✓ Global community of 25,000+ students
- ✓ Wide range of courses available
- ✓ Industry endorsed learning pathways
- ✓ Free Career Services
- ✓ Award winning StudentCare™
- ✓ Accredited learning paths
- ✓ Award winning courses

StudentCare™

Following your enrollment you are welcomed by our award winning StudentCare™ team, who'll offer personal guidance to help you develop in a way that is unique to you.

You'll receive a detailed orientation showing you around our online learning platform. Here we can answer any questions you have about the software or support.

StudentCare™ will help you to map out a suitable study plan based on your current lifestyle and commitments. This will help to keep you on track with your learning and means your progress is easily trackable.

Mentors

The majority of our courses are equipped with expert mentors who are specially selected to support you with any queries surrounding course content or the industry. These mentors are industry professionals who have already completed their training.

Practice Labs

To give you industry-essential practical skills alongside your studying, we offer practice labs alongside a large amount of our training. Students can break, fix, experiment with, and alter a desktop environment, server and network in an environment that imitates real-life situations.

Accredited

We are regulated by the **Financial Conduct Authority (FCA)** and accredited by the **Learning Performance Institute (LPI)**.

LPI accreditation demonstrates that we adhere to best practice in the provision of learning services and is a globally-recognised quality mark. Our industry leading certifications are trusted by the likes of HMRC, Honda, BT, VISA, Bupa and many more.

Career Services

Your success doesn't stop at the completion of your online training. Our exclusive Career Services exists to get you into your dream role.

How does it work?

During your studies, you will be prompted to sign up for our complimentary career services.

Along with tailored support to guide your job search, you this will give you access to **exclusive eBooks** set across 3 phases. These will give insight into the jobs market and offer guidance for how to land your dream role.

In addition to this, our career service consultants offer a **personalised review** of your CV, cover letters and LinkedIn profile and will share unique industry insights into building your network and interview preparation. We **boost your employability** in your desired industry and will continue to support you until you enter your next role.

Am I guaranteed a job?

We never guarantee a job at the end of your training, because it takes a collaborative effort between us and yourself.

Our certifications are all designed to get you career ready, using exclusive partners that provide the industry-leading certifications and our Career Services is on-hand to support the rest. All we need from you is passion and drive.

Many of our students have found great success after enrolling for Career Services. We will always go the extra mile to help you achieve this.

“

I received invaluable support and advice from the Career Services team at Learning People, who made recommendations regarding job applications and interview tips and techniques.

**- Azhar Chaudri,
Learning People student**

Industry Advisory Board

The Industry Advisory Board is a key part of our mission to better connect learning with careers and to match students with tech employers.

Our Industry Advisory Board is composed of experts who share our passion for closing the skills gap. The board meets to devise solutions to the problems the tech industry is currently facing.

We're proud to have members from the tech industry, online learning industry and government officials on our board, which so far includes the likes of **IBM, Avast, Skillsoft, Pearson** and more.

With a board of industry leaders supporting us, we are closer than ever to getting our students to their next job role. By identifying the issues within the tech hiring industry we can help shape you into exactly what employers are looking for.

Percipio

Experience Percipio, an intelligent online learning platform that delivers an immersive learning experience.

Our learning platform is at the forefront of innovation and delivers an unmatched online experience.

By investing in the right training, you are improving your student experience and massively increasing your chances of excelling within your learning path. With Percipio, you can trust that you are investing your time and money in something that you can rely on.

Percipio gives you the power to learn the way that is best for you with courses and videos to watch, books to read, labs and test preps to practice, as well as audiobooks to listen.

Learn anywhere, anytime

Access learning content on iOS and Android smartphones and tablets, as well as desktop, anytime.

You can download content to continue your studies anywhere; just upload and save your progress when you're next online.

Customised learning

The simple interface will help accelerate your learning and increase utilisation, with **1 click access to your content**. You'll work from your personalised learning playlist, designed to help you reach your career goals.

The elastic search functionality used by the likes of Facebook, Netflix, and eBay; allows you to find resources quickly, including:

- ✓ courses
- ✓ channels
- ✓ tests
- ✓ micro-learning videos
- ✓ books

World class content

There are over **300 learning paths** to explore and content is continuously updated to ensure you'll always have access to the latest information.

Continuous learning

The Percipio Embedded Learning Synchronised Assistant - ELSA - provides access to Percipio via your Chrome browser plug-in, which is great for revision and reinforcing your learning, whenever you need to.

A note from our CEO

To make any kind of meaningful progress, it's important to have a growth mindset and constantly find opportunities to learn. This has never been more important than now, as the world of work is transformed by ever greater technological advances.

I believe our purpose at the Learning People is to help your talent realise it's true potential and provide a platform to develop the skills employers are looking for.

We have supported thousands of students to switch or progress their careers and become the professionals they aspired to be. We do this by tailoring learning to your ambitions, supporting you through your studies and providing career services to maximise your chances of securing your next role.

If you are committed to taking control of your future and advancing your career, our team are on hand to help you choose the right path to achieve your goals.

Dan Ferrandino

Dan Ferrandino
Chief Executive Officer

10 years of student success

We're overwhelmed by student stories we've been sent over the years, here are some highlights:

Student testimonial: Vikramjit Badhan

Overview

Vikramjit shared that he wanted to obtain a role as an IT Support Analyst to ensure that he met the criteria to secure a visa and fill the New Zealand national skills shortage.

Vikramjit has now secured a Network support role at Otago University.

“*Thanks to Learning People’s guidance and support keeping me motivated, I now have multiple international certifications and the skills I needed to get a job in New Zealand. I would like to thank my Senior Career Consultant, StudentCare™ and Career Services for helping me to achieve my goals.*”

Map out your career path

Last year we were proud to launch innovative new career pathway tools on our website to help our students plan careers in project management, cyber security, IT, digital marketing and code.

So far we've had a great reaction from people who have used them, and hope you will find them of use when planning your own pathway.

These interactive guides will help you;

- ✓ identify how to advance in your chosen career
- ✓ gain salary expectations
- ✓ discover recommended courses to suit your career goals
- ✓ understand typical role responsibilities and required skills

Check them out for yourself by visiting www.learningpeople.com.au
