

All items must be sent by **Oct 23, 2023**.

Additional instructions for mailing your package

- Securely pack the items in a box.
- Affix the mailing label squarely onto the address side of the parcel, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Use the address listed above and affix the appropriate amount of postage.
- Ship package from your nearest post office or shipping company of your choice.
- Any damaged/defected lithium battery products (batteries or battery powered equipment) is not allowed to be physically returned to Amazon. Please contact Customer Service for further instructions. ****FAILURE TO ADHERE TO THESE LEGAL REQUIREMENTS MAY PREVENT PROPER SHIPMENT, RESULTING IN AN UNSUCCESSFUL RETURN/RECYCLE****
- Item(s) must be packaged in original manufacturer packing if available. If original packaging is unavailable, securely pack your item in a cardboard box with adequate cushioning to prevent damage to the item in transit. If any labels or preprinted marks are presented on the box, they must be completely removed or covered by white label. Lithium battery label should be printed in color.

Hazmat Label

Cut this label and affix to the outside of the return package

Commercial Invoice

Affix this to the outside of your return package
